3	4 Experience in Water Infrastructure Projects and Industrial Park Development Projects	The applicants are advised to prepare and submit the details along with copy of (i) Work orders / Letter of Intent / Contract Agreement and (ii) Work completion certificate issued by the Clients.	As completion certificates are not typically issued in the U.S., we request that awarded certificates be accepted in their place to demonstrate our experience.	In India, proposals cannot be submitted without a completion certificate from the clients. The bidder may, however, provide evidence for receipt of a statement of consulting fees that has been properly validated by a statutory auditor along with copy of work order / Agreement issued by the Client.
4	6 Evaluation Criteria and method of evaluation	Evaluation shall be carried out strictly as per eligibility conditions mentioned and based on verification of testimonials submitted. Applications received without testimonials might not be considered.	We request a relaxation in the requirement of formal testimonials and consideration of submissions supported only with advisory and feasibility study reports as valid evidence of experience.	Reports are not necessary at this stage
